**Mary Washington
Healthcare**

After several months of using TigerConnect, having gone through the implementation and looking at every secure messaging product on the market, I'm now convinced more than ever that TigerConnect was the right decision for us.

David Yi, M.D., Chief Medical Information Officer
Mary Washington Healthcare

You never want your technology to invent a new process. You want your technology to make your process work better, which TigerConnect does.

Jonathan Berkowitz, M.D., Medical Director, Interfacility Transfer, Regional Emergency Services, and Disaster Medicine
Westchester Medical Center

GEISINGER
HEALTH SYSTEM

We have looked at various solutions – it is TigerConnect that best balances user needs with the reporting and administration requirements that a larger organization like Geisinger desires.

Jonathan Slotkin, M.D., FAANS, Medical Director of Geisinger in Motion
Geisinger Health System

 **Jefferson Health.**

When we started using this tool, we were able to decrease the number of times these patients were presenting to the emergency room by at least 70 percent.

Maryann Lauletta, M.D., Vice President of Medical Operations
Jefferson Health-New Jersey (formerly Kennedy Health)

Lake Wales
MEDICAL CENTER

As a nurse, I know how difficult it is to wait for a consult and wonder if the physician has even seen your page or listened to your voicemail. With TigerConnect, not only has there been a huge reduction in our consult request times, but now our nurses can see when their messages are being read, which means they can spend more time with patients and less time on the phone.

Emily Stutz, RN, Clinical Informaticist
Lake Wales Medical Center

TigerConnect is just the solution we needed to help us coordinate care in a seamless, effective manner and improve overall workflow, ultimately helping to enhance our patients' safety and satisfaction.

Martin Fee, M.D. & Chief Medical Information Officer
Hoag Hospital Foundation

By integrating with our scheduling system, patient handoffs are getting smoother and consult requests happen faster. Most importantly, now we have a tool that gives us confidence that our messages get to the right physician securely and easily.

Shaheen Iqbal, M.D.
Meritus Health

Immediate delivery means immediate action, yet missed pages left 5% of patient concerns unattended. TigerConnect eliminated lost message errors which translated to increased patient satisfaction.

Robert T., Chief Information Officer
El Rio Community Health Center

TigerText helped us significantly reduce overhead noise and streamline our everyday communication. We are enthused that our use of TigerText has been matched by a subsequent improvement in our HCAHPS score regarding the noise levels in several patient areas of our hospital.

Don Johnson, CIO
San Joaquin General Hospital

With TigerText, our physicians are now able to communicate patient information in a secure and protected environment across all of our organizations, enabling us to provide consistent, high quality care.

Dr. Rocco Orlando, Sr. Vice President & Chief Medical Officer
Hartford Healthcare

Used in over 5,000 facilities, TigerConnect has established itself as the leader in secure messaging for healthcare. From large hospital networks to small private practices, healthcare organizations use TigerConnect as their preferred method of secure communication to comply with HIPAA, HITECH and other industry standards.
